

## **AGM 2019**

Secretary's Report: Eamon McCarthy

Thanks to all the SLAS committee for their support this year, especially to Jens Hentschke, whose term as Past President is now at end. I'd also particularly like to thank Sarah Bowskill for both her very supportive handover and for remaining on the committee to ensure a smooth transition after many years of work as SLAS secretary.

### **SLAS Grant Schemes and Awards**

A significant percentage of SLAS income continues to be reinvested in the form of grants and awards. I am pleased to report far fewer incidences of applications being discounted because the applicants do not meet the criteria. Last year we reviewed all grant schemes and increased levels of funding available across many of them. We also created a new award to support Postdoctoral researchers. Members are encouraged to apply for these grants and awards and to publicise them to PhD students and colleagues.
